

RE: CPT Work Authorization – Mena Emile William Beshay

To whom it may concern:

I am writing this letter in support of Mr. Mena Emile William Beshay's application for continued employment under CPT. In case you will need additional documentation please do not hesitate to contact me at (813) 552-2108.

Mena Emile William Beshay has been offered employment as a **Senior Software Developer** with our company starting **Monday, January 28th, 2019, his project will extend through December 31st, 2020**. His assignment is directly related to his **Master of Science in Computer Science**. Mr. Beshay's compensation is **\$50.00 per hour paid, weekly**. His work site location is **7928 Legacy Drive, Plano, TX, USA**

As part of the assignment, Mr. Beshay is expected to:

- Develop efficient and quality code based on given specifications
- Create detailed design document/technical specifications, for select projects
- Participate in deployment activities like reviewing all deliverables as per the delivery or change request checklist, preparing/reviewing deployment document and testing all deliverables
- Develop reusable components
- Create product based KT document, for the customer

During his employment with Kforce, I will be serving as the main point of contact.

If you require further information about Mr. Behshay's employment with our company, please contact me at **(813) 552-2108 or at KMedina@KForce.com**.

Sincerely,

Please sign here to indicate your acceptance:
